Growing Room News

Loving and Learning The Growing Room Way.

August 2015

www.GrowingRoomChildCare.com

Welcome to the 2015-16 Growing Room School Year!

We are so excited about the upcoming school year as we continue to raise the bar in early childhood education! It is our commitment to provide your child with another year of Love and Learning the Growing Room Way! We want to welcome all of our new families to Growing Room and thank all of our existing families for your support in making Growing Room the best early childhood development center in town!

The new school year will begin on **Monday, August 17th**. We are excited about our theme for the year, **“When I Grow Up...”**. Throughout the school year the children will learn about different occupations through books, hands-on activities, and special visitors. You can expect to receive a copy of the school calendar by August 14th through email.

Our goal is to keep you informed of all the fun and exciting things we have going on around the center via our monthly newsletter, email, Facebook, Twitter, and our website. If you have any questions about anything don't hesitate to ask—we are here for you! This is a very exciting time of year and we are ready to provide the best possible care and education for your children.

Tips for a Successful School Year

- Please remember Growing Room's clear bag/backpack policy. It is important for the safety of your children that we have only clear bags in the classroom.
- Growing Room is a nut free facility. Please check all ingredients on items brought into the school to be certain that they are not processed on shared equipment.
- Check your child's Parent Pocket (folder) each day.
- Check your email each day for your child's Daily Report that is emailed through Preschool 2 Me.
- Remember to sign your child in and out in their classroom each day.
- Check the Parent Board inside the Parent Room and in your child's classroom for important information.
- Thank you for not blocking the drive thru. This area should be reserved for parents of infants or in times of inclement weather.
- All medications should be left at the front desk with a current medication form.

Character Education in August
RESPECT AND FOLLOWING RULES

Your child will learn through the use of Character Education books, videos, teacher modeling and positive reinforcement.

Your children will learn:

- What respect is and how a person should show respect for others
- How to treat other people the way he or she wants to be treated
- How to value all people
- How to respect his or her property and that of others
- How to use polite language to show respect

“Growing Up on Our Block”
August

Check out all the fun things we will be doing this month!

We wrap up our Summer Spectacular with:
 One Fish, Two Fish, Red Fish, Blue Fish
 Horton Hears a Who!
 Dr. Seuss Carnival
 End of Summer Spectacular Party

We kick off the 2015-16 school year with our new theme
 When I Grow Up . . .

We will have a week full of occupation days learning about community helpers and talking about “What I want to be when I grow up!”

We will end the month talking about what it means to be an artist with all different kinds of painting!

These are just a FEW of the fun things your child will be doing throughout the month of August!
