June 2021

Welcome to Summer!

We are so excited for the start of another wonderful Summer at Growing Room. We have a lot of fun activities planned and this Summer is sure to be great!

The best way to stay informed about our Summer activities and events is by checking out the Summer calendar that was emailed to you. If you did not receive a copy of the calendar, let us know and we will get it to you. Activities and events are marked on the Summer calendar, on the Parent Board in your child's classroom and on the dry erase board located in the lobby of the center.

As a reminder, each Friday is Water Day for our older preschoolers where they will get to participate in outdoor water play. This is a fun day that the children look forward to each week. Parents of younger classrooms, check with your teachers regarding Water Day. Due to the age and schedules of the classrooms, not all younger classes participate each week. Please send your child to school in a labeled swimsuit on Water Day. Be sure to send in a labeled towel as well as labeled change of clothes to change into after water play. Water shoes are recommended for outside water play.

Lastly, as a reminder, please do not send toys, etc. from home as we cannot be responsible for them. If you have any questions concerning Summer at Growing Room, please stop by the front desk. We want you to be well-informed!

Here's to having a GREAT SUMMER!

*On days that raisins, craisins or pretzels are offered, a substitute of cheerios or a fruit will be offered to Infants-Toddlers.

Making a Difference Employee for June

Growing Room Welaunee Ms. Katelyn Legaspi Floater

Ms. Katelyn Legaspi joined the Growing Room Welaunee team in January 2021. She walks in the door with a smile on her face and is always ready for whatever the day brings. Ms. Katelyn can jump in any classroom and is eager to help out with anything! We are so thankful for Ms. Katelyn.

Thank you Ms. Katelyn

Character Education for June

FRIENDSHIP

Your child will learn about friendship through the use of character education books, character critters, teacher role modeling and positive reinforcement.

As part of the learning process, your child will learn:

- Good friends are kind
- Good friends help each other
 - Good friends share
- Good friends stick together
- Good friends care for one another
